

# Design a Rocket Competition

Draw, colour or design something amazing on the template below!

A Squeeble's face will appear in the rocket's window in our game, so you might want to draw your own Squeeble there, or leave it blank.

Ask your parent or teacher to send a photo or scan of your artwork to [whizz@meetthesqueebles.com](mailto:whizz@meetthesqueebles.com), agreeing to our T&C, and you could win a £25 Amazon voucher and have your rocket featured in a game within our next educational Squeebles app! Find full terms and conditions at [www.meetthesqueebles.com](http://www.meetthesqueebles.com), in the post entitled 'Design a Rocket Competition!'
